INDUSTRIAL WATER SOLUTIONS FORUM 21 JUNE 2024, FRIDAY | 9:00AM - 4:00PM

Don't miss this event for industrial water users! Join us at this high-level forum for the latest industrial water technology innovations, aimed at achieving your corporate water sustainability objectives by improving water efficiency and reducing environmental impact through the implementation of circular economy solutions.

We invite industrial corporations from Southeast Asia, India, and China to attend this forum to fulfil your water sustainability goals.

Who Should Attend?

- Industrial water end-users within sectors like:
- Manufacturing
 - Food & Beverage
 - Semiconductors
 - Textile
 - Industrial/ Business Park water services

Key Takeaways

- Learn how innovative water technologies solve industrial water management challenges
- Keep abreast on technology developments for wastewater treatment, recycle and resource recovery
- Network with technology companies from around the world

Global Focus Areas

- Water security and efficiency
- Circular economy
- Digitalisation
- Environmental impact
- Water resilience
- Water treatment
- Technology adoption challenge

Take the opportunity to visit the SIWW2024 Water Expo!

In cooperation with IFAT and organised by Messe Munich, the SIWW Water Expo is the pre-eminent marketplace for the international urban water, flood management and coastal protection community to converge and find opportunities in business. Over 500 global exhibitors will showcase the latest state-of-the-art solutions, technologies, products and services for cities, utilities and industry in Asia.

ABOUT SINGAPORE INTERNATIONAL WATER WEEK

As one of the premier global platforms, the biennial Singapore International Water Week (SIWW) gathers thought leaders, experts and practitioners from governments, cities, utilities, and industry to share knowledge and best practices on innovative water, coastal and flood solutions, and foster partnerships to tackle urban water and associated climate challenges. Organised by PUB, Singapore's National Water Agency and Singapore's Ministry of Sustainability and the Environment, the 10th edition of SIWW will be held from 18 to 22 June 2024 at the Sands Expo and Convention Centre in Singapore, alongside CleanEnviro Summit Singapore organised by Singapore's National Environment Agency.

Organised by:
Singapore International Water Week Pte Ltd, a company set up by Singapore's Ministry of Sustainability and the Environment and PUB, Singapore's National Water Agency.

Held in conjunction with:

Ministry of Sustainability
and the Environment
— SINGAPORE —
